## Summary

I'm Hitesh Baldaniya

Aspiring Python & JavaScript Developer | Computer Science Graduate | Seeking Internship Opportunities

I am an eager and motivated developer with a strong foundation in Python and JavaScript, seeking an internship opportunity where I can apply and further develop my skills. With a degree from Saurashtra University, Rajkot, I've built a solid understanding of computer science and programming principles.

I have hands-on experience using Python for data analysis, automation, and web development, as well as JavaScript for building interactive web applications. My passion for coding, problem-solving, and continuous learning drives me to pursue a career in software development.

I am looking to contribute my skills to impactful projects and learn from experienced professionals in a dynamic work environment.
